

## Childcare Options Available

We understand that many of our Independent Clinic Physicians and Staff have challenges finding childcare options at this time, especially with the number of school closings in Georgia. We are working round the clock on establishing additional options for childcare for our employees and Piedmont is extending offerings to our Piedmont Clinic Physicians and Staff.

### New Offering - Kiddos Atlanta

Childcare options for Piedmont Independent Physicians and Staff will be available starting tomorrow, March 18<sup>th</sup>, and will be offered until March 27<sup>th</sup>.
